CLINTON, HINDS CO., MISS. THE TWENTY-FOURTH Annual session 1 of this College will commence on Wednes-lay, September 30th, proximo.

The past history of this Institution is a full

studio, will convey an idea of their exquisite guarantee of its present worth and its future My patrons and the public generally are cordially invited for that purpose.

Raise your expectations high and still you will be agreeably disappointed. The same It has just closed one of the most successful sessions since its organization.
It is organized on the University plan, with a Preparatory Department, a Commercia Course, French and the following six Schools viz: a School of Greek, School of Latin, School of Mathematics, School of Natural Sciences, School of English, and School of Mental and Moral Science, Each School and Department is fully equipped for the work assigned it. The College courts investi gation as to the qualifications of its Professors and its facilities for instruction.
It is excelled by no College in the land for urate scholarship, thoroughness of work and wholesome discipline.
It is the only College in the State, under Protestant control, beyond the reach of politi-

cal influence and corruption. No politica party can say who shall or who shall not enter its doors. It has been said by a dis-tinguished educator, that Mississippi College is the hope of the State.

It challenges comparison as to accessibility and healthfulness of location. HESE PENS are comprised in 15 numbers; of the NUMBER ONE PEN alone we sold It is surrounded by cultivated and refined ociety and the students are remarkably free and the sale is continually increasing.
